

Lessons are voluntary, but are a great way to engage the students during this extended time away from school.

In addition to the district's lesson plan, the 2nd grade teachers have included additional activities and resources for the students to complete that follow district standards. Please see the documents below for those resources.

There is a 'choice board' which allows students to choose the activity they would like to complete. The other documents are the explanations and the resources used to complete each activity. Make sure your child takes breaks in between activities and space them out throughout the week. Please send me a message on Dojo if you have any questions. I am happy to provide any feedback as your child works through the activities.

Make sure the students complete the RCS lessons for each day before completing the optional activities from the choice board.

Stay safe and have fun learning!

Easter Egg Math Hunt Directions

1. Print or write the math task cards.
2. Fold and place them inside plastic Easter eggs. Hide them outside or inside around the house. If you do not have eggs at home, you may place them around the house for your child to find.
3. Students will hunt for the eggs. They will complete the math equation inside the egg on the recording sheet provided or on a piece of paper. Some eggs could just have a treat or toy inside or a treat or toy wrapped in paper if not using eggs.

Have fun !

Padlet

See a Friendly Letter that I wrote to all of you AND you can write me back! This is SO cool! Please try it, I can't wait to see what you write.

Find your name and ENJOY!

LOOK what came from the Zoo this morning!!!

#BringingTheZooToYou

During the Zoo's temporary closure, we will be sending this email weekly on Mondays to let you know about all of the good stuff coming up on the Zoo's social media channels and provide resources to help keep your kids learning at home.

This is AWESOME!

This Week's Livestream Schedule & Can't Miss Content

Today - [Check in on your carnivore friends on Youtube](#) (psst... there might be a baby animal update or two included)

Tuesday at 10:30am Take a Break with Jake and Wilbur the binturong on [Instagram Live](#)

Wednesday at 11:30am - Take a Break with Jake and Winsol the aardvark on [Instagram Live](#)

Thursday - Check our [Instagram Story](#) for Zoo bingo! And keep an eye on [our Youtube channel](#) for the replays of Tuesday & Wednesday's Instagram Lives.

Friday starting at 11am - Join us for a live stream of Critter Encounters on [Facebook](#) and then head over to our [Instagram Story](#) for some trivia

Sunday - Be sure to check our social media feeds to watch your fave animals participating in their own Easter egg hunts!

And, of course, stay tuned in to our [Facebook](#) and [Instagram](#) for your **daily dose of cute!**

Our Favorite On-Demand Content & Resources

Expand your animal knowledge with free courses on [San Diego Zoo Global Academy website](#) (recommended for ages 13+).

We also love WWF's [Wild Classroom Daily Activity Plans](#).

Get outside with our [Nature Scavenger Hunt \(pdf\)](#) - tag us on Instagram during your hunt!

Check in on our new binturong kit on a [livestream on our website](#) daily, 9am-4pm.

Get your gibbon fix by [re-watching our stream](#) of Gibbon Islands from last Friday.

We hope you find this content helpful and we can't wait to engage with you during our livestreams this week

Support the Zoo

One thing hasn't changed in the last few weeks - world class animal care. And those costs average \$193,000 per week. If you are able, we hope you will consider [making a donation today](#) to help sustain the organization until we can welcome guests once again.
